

### **In The Drawings**

FIG. 4 is amended to change reference number 701 to 741, as illustrated in the accompanying annotated drawing sheet and replacement sheet.

## **REMARKS**

The Examiner is thanked for the thorough examination of the present application and the indication that all claims 1-38 substantively define over the cited art. The Office Action does, however, reject all claims under 35 U.S.C. § 112, second paragraph as allegedly indefinite.

In response, claims 1-4, 7, 9-13, 16-19, 20-23, 26, 28, 30-32 and 35-37 have been amended. Applicant appreciates the Examiner's suggestions with regard to the claim deficiencies, and has made every effort to address and correct each noted item, as well as other items noticed during the preparation of this response. It is now believed that all claims are in proper condition for allowance.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,

By:
